Guest Speakers: Stephen Hayes, from CaptionCall, gave a very informative presentation on phones for the hard of hearing. Highlights of CaptionCall:

- No doctor note needed (if you are hard of hearing, just request an appointment)
- No cost (funded through Federal government with FCC taxes; no change in current phone bill)
- No landline needed (cellphone or just internet connection is all that is needed)
- Less than an hour to install

Residents who did not schedule an appointment during the meeting, can call Stephen Hayes at 212-321-0227. He lives in Santa Barbara, and Stephen does the installation, training and follow up. Your name, address and phone number is all that is needed to schedule an appointment.

Old Business: More people are needed to sign up with Carla Thompson before the Red Cross can schedule a date in 2026 to come to Lemonwood to check/replace smoke detectors.

Residents requested an update on plans for the old trash enclosures. Carla and Cynthia will ask Pam when they meet with her. Pam will also be at January homeowners' meeting to answer this question.

New Business: A resident asked if Lemonwood could add a dog run. Pam can be asked, but there may not be space within the park where it would not disturb residents.

Open Discussion: no other topics raised

Raffle drawing: Bundt cake winner (red velvet) Gillian Carr
Bund cake winner (chocolate chip) Delia Pisculli
\$20 winner was Jack Cornell

Meeting was adjourned at 5:20 pm

Upcoming meeting: January 6, 2026 4:30pm

Speaker Evaluations: 7 all fives and 2 mostly fives
